- PTA 2024-2025 Budget

- We need a committee to develop this to vote on if not by 8/24 then by the September meeting. Who wants to help? Brittany, Tara, Ann, and we need at least 1 more person.

*Brittany, Ann, Jana and Kelly agreed to be on committee and will offer more to join at 8/2024 meeting.

- PTA Roles

- See doc and discuss/assign all optional roles (Homecoming parade, class parties, buzz book).

*Doc was shared with board members. Members encouraged to look over their roles and share any questions or concerns to help clarify position roles.

- Staff Back to School Decorations on 8/8?

- Do we want to do this and if so what to do? Anyone want to take the lead?
- Discussed doing on the 1st day of school instead of back to school for staff given current construction situation. Kelly to contact yard design for welcome back display. Kelly and Tara agreed to take lead on this.
- Back to School Night – 8/15, 5:30-7pm
 - PTA to provide staff dinner that will be available beginning at 4pm.
 - Does anyone want to take lead on this?
- Ann, Tracey, Kelly and Jana will take lead on staff dinners this year. Plan to see donations. Discussed \$400 budget. Ann motioned to approve and Kim 2nd.
-
- **Membership table during B2S Night-**
- Kim to cover this table during the event. Kim will have all decorations and signs to bring. She is creating a display board to show all that pta does during the school year. She is using left over Fun Run prizes for membership giveaways. Some will be given if parents join and pay on B2S Night. Others will be given away during different times through October. All members will be entered to win a family photo session with a professional photographer who is donating this service for this cause.
- **Spirit Store table during B2S Night-**
- Tracey, Jana and Ann will cover the Spirit Store table that we will ask to be away from the membership table to avoid confusion that items are free giveaways as part of membership drive.
- Need PTA lock box and some cash on-hand for membership.
 - Tara/Brittany will ensure box is ready

- Kindergarten Boohoo bags on the 1st day of school

*Discussed and decided not to do this year. Popsicles on the playground will occur. Tracey is reaching out to Andy's to see about an all school ice cream social on B2S Night and the vouchers can be shared via the newsletter and shared at school. Also discussed moving money for the 1st day decorations and to do something for staff as a welcome back. Also looking at scheduling an all school back to school skate. Ann is reaching out to Fitty's to see about a barista.

Will see what this can look like around the timeline for staff to be in the building.

- Barista for staff on the 1st day of school and for K parents dropping off.
 - <https://www.espressoahlacart.com/> = \$270-\$350

*Discussed and worried too much will be going on this year. See above for other things planned to bring families together and to support staff.

- Homecoming Parade
 - Do we want to participate?
 - If so, who wants to lead this event?
 - *Concern about kids coming without adult supervision despite lots of communication stating kids had to come with parents. Last time, at the end of the parade, Fallen and Williams had to supervise kids and get them home safely.*
 - *Can we do and only open up to PTA members with the same instructions that kids can only attend with adult supervision. Need permission slips.*

*Discussed and at this time, board isn't in favor of engaging this year unless other PTA members want to take charge and oversee this event.

- PTA Party Committee
 - Any board members want to be spearheaders for this? We can ask other PTA members to join as well.

*Tracey, Ann & Tara to take lead. Other board members available to help and will open up to larger PTA members.

- FYI: Ideas we are considering this school year:
 - Bike/Walk to School Event - Dr. Johnson is seeing if there can be a morning students/families can walk to school and we can make it an event. Dr. Johnson is checking with Chad Phillips in District Office to see if/how this can work and will get back to us to see what role PTA can play....so to be continued.
 - All board members are in support of PTA helping with this event.

- Cultural art events - \$2575 total
 - Renner Cultural Night - BSIP team has planned. \$1250 from PTA to be given to book performers for this event.
 - KC North Ballet - is already booked in 12/2024 at \$850
 - KC Zoomobile - booked in 4/2025 at \$475
- Tara motioned to approve all events and budget to support. All voted in favor. This will be discussed by the 24/25 Budget Committee and voted on again when budget is approved.
- PTA meetings and events are scheduled for the entire school year. Dates/times were shared via email invites. Did everyone get?
- Events document discussed and people took leads for events. See updated document that has been shared with all.
- Anything else to discuss?
 - Tracey:
 - *Tracey is planning food nights. Decided wants to do Chipotle again. May not do Fredde's. Will book 2 school skate nights. Mercury and Edge Gymnastics are no longer doing school events. Will also plan 2 Andy's ice cream socials. We do not make much money off these but are fun community events.*
 -
 - Kelly: is there an online platform where we can all dump photos for you to use as we take them?
 - Kelly and Ann are checking into. Flickr may be an option.
- Tara:
 - will complete meeting minutes and send out. Will update event doc, PTA board member role/optional tasks doc and send out. Tara will update membership forms and QR codes and send out.
 - 2 checks were written in 7/2024 for 23-24 PTA budget as invoices were received (field trip buses and activity shirts). 2024 Fun Run payment was submitted in 6/2024. Tara will update financials and budget for last year to finalize all 23-24 treasurer duties.
